Today, October 26, the Osceola Advertising & Tax Promotion Commission met with a quorum present (virtual) to consider the Osceola Civic Sign proposal presented by Shawn Chafin. A motion was made by Councilman Gary Cooper, seconded by Councilman Gregory Baker, and carried unanimously (5-0) to recommend to the Osceola City Council the \$6,200 bid from Charles Watkins (attached) to replace the former civic sign near the airport.

REMINDER: A & P Commission ZOOM Meeting at 4 PM

Commissioners,

As a reminder, we have a ZOOM teleconference (please see link below) for **TODAY, Monday, November 23, at 4 PM** to consider Main Street Osceola's request for this year's Christmas Parade. Please find attached their budget. The "Estimated/Expected" column represents total costs per category while the "Adjusted" column reflects costs after expected donations from other sources. Their total request from the A & P Tax fund, as shown on the bottom line, is \$5,000, which is consistent with recent years.

As noted in a previous email, I, as Chair, intend to ask for a motion to:

- 1) to recommend the request to the City Council on the basis of compliance with the A & P ordinance and past precedent, but also 2) to recommend that the Osceola City Council satisfy itself as to the wisdom and appropriateness of preparation planning on the part of Main Street Osceola in light of the COVID-19 pandemic.

As relayed via previous emails, Harry Keatts has issued his proxy vote in favor of such a motion. **Please make every effort to attend or send a proxy vote if unable to attend.** If more than two of us fail to participate, we will be unable to gather a quorum. See you shortly!

Thank you!
Jim
